Period ____

Today you give your talk twice to a coach, and fix what the coach could not follow before Monday.

What you hand in: Classwork 9, 5 points At the door: this sheet.

- **3** Three fixes, each naming a part

Your 4-minute talk

TIME	PART	SAY
0:00 to 0:30	1	My question, why it matters, what I expected
0:30 to 1:30	2	My data: what I measured, how, and what I cleaned
1:30 to 3:00	3 and 4	My best chart on screen, what it shows, with one number
3:00 to 4:00	5	What it means, what not to conclude, my next question

Then 1 question from the room. Talking Wednesday 28 October? Early release: 3 minutes. Part 2 gets 30 seconds; parts 3 and 4 get 60.

Step 1: Get ready

2. Speaker: talk through parts 1 to 5. Point at your chart.

5. Speaker: 2 minutes to fix it.
